TERMS & CONDITIONS

NO DEPOSIT

1. A standard tenancy will run from 01st July 2018 to 30th June 2019. **Please note some properties may have a different tenancy start date.**
2. **Due upon application** - New applicants will be required to pay an administration fee of £180.00 (inc vat) and a Holding fee of one months' rent each upon submission of the application form. The administration fee covers all legal documentation and time required to set up your tenancy. The holding fee will be retained on your account and will reserve the property whilst we process your application. The property shall remain on the accommodation list until all applicants holding fees have been received. Once your tenancy has started, the holding fee will be transferred over to your rent account. Existing (2017/18) tenants wishing to renew their tenancy for 2018/19 may transfer their Security Deposits to the new tenancy but will be required to pay a holding fee if applying for a different property let by iConn. Payment of a holding fee does not guarantee your application will be successful or legally binds the Landlord into a Tenancy agreement. Should the application for the tenancy not proceed or complete by the given timescales provided, the application will be deemed to have lapsed and the property will be returned to our 2018/19 accommodation list with all administration monies already paid, all or part carried forward Deposits or holding fees (excluding rent) being forfeited and used to compensate the Landlord for loss of rental income while the property has been solely held for you. Calculation will be based on a daily rate of rent for the property. Your tenancy is a joint and several tenancy and therefore if one or more of the group pull out; it will be the remaining proposed tenant's responsibility to ensure they are replaced or all tenants will be deemed as forfeiting the application.

Existing tenants – If you are choosing to renew your tenancy and staying on in the same property, you will benefit from a 50% off reduced administration fee of £90.00 (inc vat) each.

Existing tenants moving to another iConn property benefit from a 25% off reduced administration fee of £135.00 (inc vat)

3. **Due within 7 days of application** - Each applicant shall provide a Guarantor and a Guarantor agreement must be completed, signed and returned to us. A copy of each Guarantors photo ID is required, either Passport or Drivers License as well as a copy of their current utility bill showing their home address.

All standing order forms for rent are to be returned. Each household can elect a head of household and it is this person's account the standing order must be set up in. You are all therefore responsible for paying your rent to your head of household in time for the due date of the 01st of every month (unless a different start date or the set up of you own standing order has been agreed) Please ensure you set up a regular standing order or bill payment facility to your head of household to ensure your rent is paid in time for your head of households standing order to be paid to us or your Landlord.

All photo ID's of each applicant are to be provided.

FROM 1 FEBRUARY 2016, ALL PRIVATE LANDLORDS AND AGENTS IN ENGLAND WILL HAVE TO MAKE RIGHT TO RENT CHECKS; THIS MEANS CHECKING THAT ALL TENANTS HAVE THE RIGHT TO LIVE IN THE UK.

We require the Tenancy Agreement to be signed by all named tenants.

Should the application for the tenancy not proceed or complete by the given timescales provided, the application will be deemed to have lapsed and the property will be returned to our 2018/19 accommodation list with all administration monies already paid, all or part carried forward Deposits or holding fees (excluding rent) being forfeited and used to compensate the Landlord for loss of rental income while the property has been solely held for you. Calculation will be based on a daily rate of rent for the property. Your tenancy is a joint and several tenancy and therefore if one or more of the group pull out; it will be the remaining proposed tenant's responsibility to ensure they are replaced or all tenants will be deemed as forfeiting the application.

4. Rent for the period (Start date is dependent on the property) up until the 30th June 2019 is payable monthly in advance by Standing Order on the first day of each month.

5. All Applicants will be signed into a 'Joint and Several' fixed term tenancy agreement.
6. Should one, any or all of the group wish to occupy the property during July and/or August, full rent for the property will be payable. Please note the date of occupation would need to be discussed and agreed in advance. **(subject to current marketing offer)**

Tenants' possessions are not covered under the landlord's insurance policies and we would recommend that you have your own suitable cover in place; ideally one which includes accidental damage to the Landlords items, as this will help protect your deposit. Please ensure that you inform your Insurance Company of your Joint and Several tenancy and that individual bedroom locks are not provided.

MANAGED BY: The Landlord.

This property is under the management of the Landlord, which means that once you have moved into the property; all maintenance, tenancy and rent issues during the term of your tenancy will be dealt with by your Landlord direct.

Existing tenants moving to another iConn property benefit from a 25% off reduced administration fee of £135.00 (inc vat) (Please note a holding fee of one months' rent is required and will be retained; it will then be transferred over to your rent account for your first months' rent)

By paying the holding fee and administration fee in full, the property will be taken off the market whilst your application is being processed. The property will only be taken off the market when all tenants have paid their application costs in full.

If you withdraw at any time after completing the application form, you will lose any administration fee paid as well as your holding fee as this will be used to compensate the Landlord, as the property has been taken off the market and solely held for you.

As your tenancy application is signed as a joint and several contract, should any member of your group pull out, this will apply to the whole group unless a replacement is found by you before the tenancy starts.

Payment of any holding fee does not constitute acceptance of your application or entry into any type of tenancy agreement. If your Landlord withdraws for any reason your application fees will be refunded in full.

Now that you have paid your application fees in full and have secured your property for the next academic year, please find below important details for your information. Please familiarise yourself with the process as failure to complete any of the steps below may result in your application being denied, your application fees paid will be forfeited and the property returned to the market for viewing purposes as per the terms and conditions you have signed.

- **Guarantor Agreement**

Deadline: Within 7 days of application

Normally when a prospective professional tenant applies for a property, we have to fully reference them which will include checking their employment history etc to ensure that they are in a position to be able to pay the rent they are legally contracted to pay, whilst in their fixed term tenancy agreement. However, as you are a student; it's quite common that you would not have an extensive work history or be in full time employment. So, due to this fact; we have to ensure that a responsible person will be happy and agree to stand as a guarantor to guarantee that if you did not pay your rent for any reason; they would be legally obliged to pay the rent on your behalf. It is very important that you ensure that the person you have asked to be your guarantor is aware of his or hers legal responsibility and understands what he or she is agreeing to. This person will undertake to guarantee your obligations as set out in the joint and several tenancy agreement. The Guarantor is liable for rent if you do not pay and is also liable for any damage or other losses incurred by the Landlord due to actions either accidental or deliberate by you or any guests invited into the property. The Guarantor agreement must be signed and returned within 7 days of application.

- **July and August rent (subject to marketing offer)**

In the summer during July & August, the rent is reduced; this is because most students return home for the summer months' and do not need to occupy a property. Please be aware you have no right of occupation; however, if you do need to occupy the property during the summer months', you will have to pay your share of the full rent (not at half rent) for the property, even if only one tenant out of the whole group wishes to occupy (subject to current marketing offer). **You must also advise us at the time of your application if you wish to reside at the property during July and August.** Early notification will allow us to inform your Landlord of your intentions as a date will need to be agreed, as sometimes it may be that a property has to undergo maintenance repairs and therefore a no occupancy status will be placed on the property; however you will still be able to store your belongings, should you wish to do so. **If you wish to store any belongings in the property during the summer months' then please let us know in advance, as we cannot guarantee all properties are available due to Landlords carrying out possible repair works.** As long as your account is up to date and we have given you permission to store your belongings, you will need to provide us with a list of items you wish to store and on what date you wish to drop your items off. You will be provided with a key on that day but the key must be returned to us within the same day and before the close of business.

- **Standing order form**

Deadline: Within seven days of application

Once your first month's rent has been paid (from your holding fee) all further rent payments are paid monthly in advance and needs to come direct from your chosen head tenants' bank to ours. This form needs to be completed and returned to us, so that we can send it to the relevant bank and the bank has plenty of time to set the standing order up. However, it is your responsibility to check with your head of house to ensure that they have successfully set the standing order up at the start of your tenancy and have stopped it at the end of your tenancy; as we are unable to do this for you. If it is your intention a standing order is to be set up via a parents account, then please ensure you pass the standing order form to the responsible parent to fill in and sign. You must then return the form to us. Please note in some circumstances, we are able to offer separate standing orders for individual tenants should a head tenant not wish to take on the responsibility.

- **Tenancy Agreement**

Deadline: Within 7 days of application

The draft tenancy agreement website link will be sent to you within two days of the completed applications and deposits paid; the draft copy is for you to read through and for you to familiarise yourself with and to help you understand your obligations. Please read it BEFORE you come into the office and if you have any queries or concerns; please contact us direct and we will be very happy to help. Two original copy agreements will be kept in our office and you will need to come into the office to sign both of them. Once completed an original copy with all tenant and landlord signatures will be provided to you in your welcome pack at the start of your tenancy, when you pick up your keys. The other original signed agreement will be kept in our office for our records. If you are in any way concerned or do not fully understand your legal obligations; iConn recommends you speak with an appropriate professional or seek advice from the citizen's advice bureau before you enter into the agreement.

- **Photo Identification**

Deadline: Within 7 days of application

FROM 1 FEBRUARY 2016, ALL PRIVATE LANDLORDS AND AGENTS IN ENGLAND WILL HAVE TO MAKE RIGHT TO RENT CHECKS; THIS MEANS CHECKING THAT ALL TENANTS HAVE THE RIGHT TO LIVE IN THE UK.

THEREFORE YOU ARE REQUIRED TO PROVIDE APPROPRIATE ORIGINAL HARD COPY PHOTOGRAPHIC EVIDENCE/IDENTIFICATION IN PERSON TO BE PHOTOCOPIED AND HELD ON FILE. (You will be provided with a link to show acceptable documents relating to your circumstances)

****In addition to the above, you will also need to provide a copy of your student ID****

- **Contents Insurance**

We highly recommend that you set up your own contents insurance for your own belongings which you bring into the property as well as having adequate insurance to cover you for accidental damage to the Landlord's items, fixtures and fittings. Your Landlord will have their own insurance in place but this will not cover you for your belongings. Having suitable accidental damage cover for your Landlord's items, fixtures and fittings will help to reduce your financial liability should any damage occur. **Please ensure that you inform your Insurance Company of your Joint and Several tenancy and that individual bedroom locks are not provided.**

- **Key Collection**

Keys will be released to you from the 01st September 2018 and no earlier or from the start of your tenancy should you choose to occupy the property during the summer months. You will either need to come to our office, or meet with your Landlord at the property to pick up your keys (We will confirm nearer the time) PLEASE NOTE: Your account must be up to date and paid in full, as well as all the necessary paperwork being completed. ALL tenants included on the tenancy agreement must all have paid in full and all paperwork must be completed. If any monies or paperwork are outstanding, no tenant will be issued a key. **Please note individual bedroom locks are not provided.**

- **Inventory & Schedule of Condition Report**

If the Landlord or an independent Inventory provider has undertaken the report; your Landlord will issue you a copy of the Inventory when you pick up your keys from them. This document is used to document the condition of the property and all its fixtures and fittings (including furniture) at the start of your tenancy. You will need to walk round the property with your housemates to ensure that the document is correct and that you agree with its contents.

If iConn has undertaken an inventory & schedule of condition report on behalf of the Landlord; this will be provided to you in your welcome pack. Once you have inspected the property; you will all then need to sign the document and return the document to our office within seven days of when the first tenant picked up their keys and welcome pack. If the Landlord provides you with an Inventory; you must undertake to return it direct to the Landlord within the same time scale as set above. The same inventory will be used for the checkout process at the end of your tenancy. If you do not return the Inventory within seven days, it is deemed that you agree to the document's contents, which states the condition of the property, its fixtures and fittings and all items contained therein. The document, to which we /Landlord have a copy of, will then, be used to compare the property's condition at the end of the tenancy for the check out process.

- **Utilities**

Your Landlord will advise you if you are to notify the utility companies and council tax office yourself, providing them with your details and your tenancy start date. If the Landlord asks you to do this yourself, the Landlord must provide you with all the relevant information and meter readings; however the Landlord may do this for you; so please ensure you confirm this with your Landlord at the start of your tenancy. Meter readings should be displayed on your inventory, the Landlord has provided you. If iConn has undertaken the Inventory & Schedule of Condition report; we will notify all relevant parties on behalf of you and your Landlord and will include the meter readings on your Inventory. However, it is ultimately your responsibility to ensure that all utility bills have been set up in your name(s) correctly. This will include, council tax, electric, gas, water in & out, telephone, broadband and TV license. Students are exempt from paying council tax during term times but the council may still contact you direct for your student details. Please note, although we or your Landlord may notify all utility companies of your tenancy start date, your details as well as your meter readings, we cannot be held responsible for ensuring the utility companies successfully update their records their end; so it is essential that you contact all relevant companies to ensure they have your correct details. **We are unable to contact BT, Broadband and the TV licensing company for you, due to their data protection policy.** You are responsible for paying all accounts that have been set up in your name(s) iConn reserves the right to forward all contact details and forwarding addresses to all utility companies, debt collection companies and tracing companies in order to finalise all bills set up in your name at the end of the tenancy.

Please note: All utility companies charge a 'standing charge' so even if you have not resided in your property from the 01 July 2018, a standing charge will be applied to your bill for the months of July and August onwards.

- **Parking**

Please note that we cannot accept any responsibility for issuing parking permits or for any fines that may be incurred if you park your vehicle in a restricted zone outside or near your property.

- **Renewing for the next academic year**

It is our policy, as long as the tenancy has been conducted in a satisfactory manner, to give you first refusal to renew your tenancy for the next academic year. We start the remarketing process in November 2018 and so we will approach you in November 2018 to find out what your intentions are.

- **Attending the office**

We understand your time as a student is quite limited due to lectures and exams etc; so, it is important that we try and keep things as simple and as time effective as possible for you to reduce the amount of times you have to visit our office.
